THURSDAY 4 MARCH 2010

HOSTED BY

PARKWELL

Management Consultants Ltd

VENUE

The Grocers' Hall, Princes Street, London EC2R 8AD

DATE

Thursday 4 March 2010

KEYNOTE SPEAKER

Christine Ross, SGPB Hambros

Christine Ross has been Head of Financial Planning at SGPB Hambros since April 2001. Her responsibilities include expanding and developing the bespoke financial planning operation ensuring the provision of an integrated wealth management service.

Christine joined SGPB Hambros from UBS where she was a director of the onshore financial planning and wealth management division. She spent the previous 11 years with Willis National, latterly as regional director of financial planning in London.

She is a qualified Certified Financial Planner and an associate of the Institute of Financial Planning.

Christine is a regular guest on BBC 1 Breakfast News and BBC 2 Working Lunch, as well as the BBC Radio 4 Today programme, Radio 5 Live and has appeared on a BBC 1 Panorama documentary highlighting the effect of the current financial crisis on pensions savings. Christine also features regularly in the money sections of the Sunday Times and Daily Telegraph.

Christine has regularly participated in a number of personal finance and associated events which most recently included the BBC Money Matters live roadshow and the 85 Broads women's network event in London. She was included in the Financial News Top 100 most influential women in finance for 2009.
